What is HPP?

Health Promotion Practice (HPP) publishes authoritative, peer-reviewed articles devoted to the practical application of health promotion and education. The journal is unique in its focus on critical and strategic information for professionals engaged in the practice of developing, implementing, and evaluating health promotion and disease prevention programs.

Why join HPP?

You have the freedom to create your own content to match HPP's goals, such as...

- Creative Projects: Create lists, Videos, Websites, Fliers, Posters
- Passion Projects: Find ways to integrate your interest with the goals of the journal!
- New Projects: Opportunities to create and lead your own projects!

Professional Development Opportunities Are Available!

- See Behind-The-Scenes of a Journal
- Submit Abstracts
- Meet Authors and Board Members
